VACANCY ADVICE

TITLE

The **Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (PCAARRD)**, is looking for qualified applicants for its vacancy.

PCAARRD, one of the sectoral planning councils under the Department of Science and Technology (DOST), provides a unified and focused direction for the country's research and development (R&D) in the agriculture, aquatic, and natural resources (AANR) sectors. It formulates policies, plans, and programs for science and technology (S&T)-based R&D, institutional development, and technology promotion initiatives on different commodities under its concern; coordinates, evaluates, and monitors programs and projects; and is engaged in active partnerships with international, regional, and national organizations and funding institutions for joint R&D, human resource development, technical assistance, and exchange of scientists, information, and technologies.

DOST-PCAARRD, an ISO 9001:2015-certified agency, is committed to achieving a sustained dynamic leadership in S&T innovation for AANR products innovation and environment resiliency.
