Subject: **Call for Nominations for the Pantas and Tanglaw Awards**

Dear **Colleagues:**

As our way of thanking your continuous commitment, dynamism, and hard work in conducting various R&D activities, PCAARRD is once again searching for well-deserved recipients of the **Pantas And Tanglaw Awards**. In line with this, we are seeking your assistance in selecting and endorsing the best candidates from the members of your consortium/network for the three awards, namely, Pantas Award for Most Outstanding Scientist/Researcher, Pantas Award for Most Outstanding Research Administrator, and Tanglaw Award for Most Outstanding Research Institution.

Cash awards and research grants await Filipino scientists and research institutions in the areas of agriculture, aquatic, and natural resources (AANR). With this endeavor, we hope that we will get positive output and genuine breakthroughs in the improvement of R&D for the AANR sector in the country.

The researchers/scientists category will be evaluated based on individuals' outstanding contributions and innovations in enhancing productivity, efficiency, and sustainability in the Philippine AANR sector. Research administrators and institutions, on the other hand, will be evaluated based on their effectiveness and efficiency in the identification and pursuit of relevant research agenda with the end-in-view of promoting national development through the creative use of S&T.

For your reference and guidance, attached is a copy of the Pantas and Tanglaw nomination forms and guidelines for distribution to your networks. You may also download the documents from our website: https://www.pcaarrd.dost.gov.ph/index.php/awards

We would appreciate it if the attached nomination form is completed and submitted to PCAARRD **on or before April 17, 2025**, along with the accomplished online Google form (https://tinyurl.com/PantasTanglawLinks). Kindly consider the mailing period, as nominations received after the deadline will not be accepted.

The success of this event depends on your much appreciated and needed cooperation. Thank you very much.

Very truly yours,

REYNALDO V. EBORA, *PhD*
Executive Director
