OFFICE OF THE EXECUTIVE DIRECTOR

April 17, 2023

Subject: **CALL FOR NOMINATION FOR THE SINAG: S&T INNOVATIONS IN
AGRI-AQUA AWARD FOR CY 2023**

We would like to inform you that the DOST-PCAARRD is now accepting nominations for the SINAG Award for CY 2023.

The SINAG Award aims to recognize the effort of an individual, group of individuals, or organization instrumental in the successful adoption of a component technology or package of technologies. It will focus on technology commercialization, which refers to the technology transfer pathway of deriving income or profit from a technology, such as through the creation of a spin-off company, licensing, or the sale of the technology and/or intellectual property rights (IPRs), in the agriculture, aquatic, and natural resources (AANR) sectors. This award recognizes three (3) entities involved in the commercialization of a technology: (1) the **innovator**; (2) the commercialization **facilitator or enabler** of a technology; and (3) the **adopter** that successfully commercialized a technology.

Please be informed that the guidelines and nomination forms can be accessed and downloaded via PCAARRD website (<https://pcaarrd.dost.gov.ph/index.php/awards>). **Nominations and entries should be submitted on or before May 31, 2023, at 5:00 p.m.** Further announcement will be posted via DOST PCAARRD official Facebook Page.

Thank you for your usual support and cooperation.
